

Exam: Mathematical Methods 2

Schedule

To note at home:

- ▷ If you have symptoms of COVID-19 that are typical of COVID-19 or have had contact with infected or returnees from crisis areas, please do not arrive to the exam. We need to prohibit you from taking the exam in this case.
- ▷ If you do not appear for the exam, you will automatically withdraw from the exam. In this case, there is no disadvantage for you.
- ▷ If you want to take the exam, please bring your student ID, photo ID (identity card, passport, driver's license) and one Mouth-nose protection with.

To note before the exam:

- ▷ Please be in front of Messehalle by 4:45 p.m. at the latest. The entrance to the exam room begins at 4:30 p.m. Keep a minimum distance of 2 meters to other people.
- ▷ Please note the enclosed room plan. The entrance for your exam takes place through the back entrance instead (Gate 3). Please line up there in two rows according to your matriculation number (see room plan).
- ▷ Mouth and nose protection is mandatory during admission. We will have a small reserve of mouth-nose covers ready. The hand disinfectants will be also available.
- ▷ Before entering the room, we check your documents. Please keep your student ID and a photo ID (identity card, passport, driver's license) ready. You must also confirm that you have no COVID-19 symptoms and have no contact with infected / returnees.
- ▷ After the attendance check, please go quickly to your seat. You can find in which row you will be seated according to the attached room plan.
- ▷ Please wear your mouth-nose protection until all students have their place have taken. As soon as the supervisors ask you to you can remove the mouth-nose protection. Please put it in your pocket, do not put it on the tables and benches.
- ▷ Please put your bag, jacket etc. next to you.
- ▷ In the event of a subsequently discovered infection of one of those involved in the test, to ensure quick contact tracking, we will ask you to leave your contact details in a prepared form. The indication is voluntary. All information is subject to data protection. The data is saved in the examination office of the FMA kept for four weeks and then destroyed.

To note during and after the exam:

- ▷ During the time when the exams are distributed and collected, wearing a mouth and nose protection is mandatory.
- ▷ During the exam, there is no obligation for you to wear your mouth and nose protection. If you remove the mouth-nose protection, please stow it in your bag, do not put it on the tables and chairs. The following exceptions apply:
- ▷ Wearing a mouth-nose protection is mandatory if you want to ask a question or go to the bathroom during the exam. Please raise hand in those cases.
- ▷ An early submission of the exam is not possible.
- ▷ After the exam has ended, stay in your seats and follow the instructions supervisors to ensure that you leave the examination room in a regulated manner guarantee. When leaving the examination room, wearing mouth and nose protection is mandatory.

Good luck!
